

SUMMONED BY DEATH.

Sister Mary Ann Lunt Called to The
Great Beyond.

Was Beloved by all—Staunch Latter-
day Saint and Active Worker
in the Church.

Yesterday Sister Mary Ann Will-
son Lunt passed to the Great Be-
yond, after having been ill for the
past five weeks. She was afflicted
with Bright's disease and leakage of
the heart, and although all that med-
ical aid and excellent nursing could
do was done, she passed away as
stated.

Sister Lunt has been a faithful
Latter day Saint and for years was
an active worker in the church. She
has so lived that she has won the
love of all who knew her, and many
are the relatives and friends who will
mourn her loss.

She has at various times made the
assertion that she cared not to live
till she became too feeble to help
herself and her wish has been grati-
fied. She has been taken home to
her Heavenly Father with whom she
is entitled to enjoy the glories of
eternal life with the blest.

For the past five weeks she has
been gradually sinking, and those
who have been nursing her have been
assiduous in their attentions to her,
never leaving her bedside for one mo-
ment and doing all in their power to
make her last days on earth comfort-
able. She did not suffer to any ap-
preciable extent, and passed to her
long rest as peacefully as a child go-
ing to sleep. May her reward be
great and joy intense in the reunion
she will have with those of her loved
ones that have gone before.

It is not decided as yet just when
the funeral will take place but it will
be either tomorrow or Sunday.

Next week a biography of her life
will be published in these columns,
giving a detailed account of her
travels since joining the church.
